Data Structures	Multi-tasking

PERSONAL PROFILE

I am a self-taught software developer from South Korea, now based in the UK. I would describe myself as very motivated and a fast learner. My strengths are that I am hard working and I enjoy working as part of a team. I am eager to learn more and I would be grateful for new opportunities. I am looking forward to working with you.

Education & Certifications

Certifications

- Web development Bootcamp, The App Brewery, 2023
- JAVA 17 masterclass for software developers by Tim Buchalka, 2023
